

BRENT WEBB

GAFFER

Brent comes from an electrical background, working as an electrician in both the domestic and commercial fields. He joined the industry in 2000 and followed his passion and worked his way up through the Lighting Department.

His experience on feature films is widespread, from Spark and Best Boy roles on international features such as “Racing Stripes” “Primeval”, “The Crypt”, “Coup” and Gaffer on productions such as “Coronation Street”, “Mandela’s Gun”, and “Spud”.

He also worked on features such as “District 9”, “Poseidon Adventure” and “Ask the Dust” as the Practical Lighting Electrician in conjunction with the Art/Set Dressing Departments and Lighting Departments where he used his knowledge and experience as an electrician as well as a Spark and Best Boy.

Brent has worked across all mediums such as feature films, commercials, documentaries, music videos and much more. He has also worked on local and international productions and has worked extensively throughout Africa and in Saudi as a Gaffer and Lighting Rigger.
