

Rodolphe R. Saleh

Personal Profile

Born in 1974

Lebanese

Married

Resident in the United Arab Emirates, Dubai

My primary background is system engineering but my passion for movies and curiosity in science made big influence on further development of my skills on different platforms. This knowledge I've been using practically during my work on several TV sets, TV commercials, Hollywood movies/ feature films and corporate videos, stage performances/ events.

The latest SFX project I worked on was "Dune 2" - movie serviced by Epic Films under twofour54 - filmed in Budapest (Hungary) & Liwa (UAE).
