PROFESSIONAL SUMMARY

- As a highly motivated individual with a passion for creativity and attention to detail, I am excited to transition from coffee sales to production.
- Throughout my career in hospitality and the FMCG industry I have honed my communication and customer service skills, while also developing a strong sense of problem-solving and analytical thinking.
- My experience in customer-facing roles has taught me the importance of meeting and exceeding expectations, and I am committed to bringing this same level of dedication to my work in production, where I can utilize my ability to work collaboratively with team, to streamline processes and improve efficiency on set.
- Worked on 2 TVC productions, 2 media launches and featured in 20+ commercials as main or featured talent. Working as cast has taught me much about patience, calm, focus and being creative, which can be utilized in production.
